## **RAIL CUSTOMER DAY SCHEDULED FOR FEBRUARY 6<sup>th</sup> TO BE RESCHEDULED**

CURE has announced that its originally scheduled Shipper Day on February 6<sup>th</sup> has to be moved and that is cancelling its participation, due to conflicts with the Congressional calendar (Congress not in session) because of Super Tuesday on February 5<sup>th</sup>. A rescheduled Shipper Day will be occurring in the near future. Hopefully ARC members can find a date in March or early April, which will allow your participation.

It is important that all of the captive shipper community visit with their Congressional representatives during the next 2 months as the Rail Competition bills will be heard no later than May, and we will try and accommodate each and every ARC member.

Because the later we get into March – the closer we get to a busy time for agriculture, we are seeking input from all of you as to which of the following dates would be best for you to participate in a Shipper Day. Alternatively, we may schedule multiple smaller Shipper involvements around when a particular organization is going to be in DC.

Which Date would be best for you?

Thursday, March 6<sup>th</sup> \_\_\_\_\_

Thursday, March 13<sup>th</sup> \_\_\_\_\_

Thursday, March 20<sup>th</sup> \_\_\_\_\_ (Note the day before Good Friday)

Thursday, March 27<sup>th</sup> \_\_\_\_\_

Thursday, April 3<sup>rd</sup> \_\_\_\_\_

**PLEASE EMAIL US AT [TWITESD@WTP.NET](mailto:TWITESD@WTP.NET) AND LET US KNOW WHICH DATE WOULD BE BEST FOR YOU.**
